

American Lincoln Part

American Lincoln Parts - The American Lincoln division is now connected with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machines that are recognized within the business as durable and strong machines that satisfies the needs of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery operated walk behind model of floor scrubber together with the Clarke Company who is presently likewise owned by Nilfisk Advance. Their production operations are mainly based in Springdale Arkansas. These types of scrubbers are accessible in the market under the trade mark name "Encore". American Lincoln could provide warranty service, machines and parts for these scrubbers which carry both the Encore and Clarke logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for various facility managers where efficiency and results matter. Recently, this floor scrubber model has been used by the architects in new construction projects such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this particular sweeper scrubber on location because of the model's excellent quality and supreme performance level for polishing concrete.
