

Trek Parts

Trek Part - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning business. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have over 60 years combined experience with successfully marketing, manufacturing, designing, developing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are committed to providing top quality and new design concepts in order to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines always offers fresh design ideas. They like offering items which energize both their dealers and their partners and provide production gains to their customers.

The TREK team of staff likes new tasks and new challenges. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' needs and skills together with their understanding of cleaning applications, along with owners' strong desire to dramatically lower cost through productivity gains.

When considered necessary, the staff members within TREK and its several dealer members in both parts and in technical support would be accessible. Among their core values is their high service devotion in their customer service. Keeping their clients' cleaning machines working and ready day by day is top priority. The company's top of the line technology delivers reliable equipment that eventually reduces your cleaning cost. The product, the price and the service all work together so as to make them an industry leader.
