

## Ingersoll Rand Forklift Parts

Ingersoll Rand Forklift Parts - Offering products, solutions and services to increase the productivity and to ensure efficiency in commercial, residential and industrial environments, Ingersoll Rand is very proud provider of products that help enhance the comfort, security, health and safety of individuals all over the globe.

From their Climate Solutions division comes a product line of energy efficient HVACR solutions. The Thermo King is the leading transport temperature control, while Hussman makes food merchandising and refrigeration solutions. Trane is a trusted provider of energy efficient heating ventilation and air conditioning systems, building and contracting services, parts support and advanced controls for both commercial buildings and residential homes.

The Industrial Technologies sector of Ingersoll Rand provides products and solutions to improve operations, energy efficiency and productivity for their customers. The range of products in their line consist of: tools and pumps, and material fluid handling systems to complete compressed air systems. They have even developed Club Car, the international leader in utility and golf vehicles designed for companies and individuals.

Brand names such as Schlage and Trane provide residential solutions that provide efficiency, comfort and safety to home owners around North America. Their innovative products consist of mechanical and electronic locks, indoor air quality solutions, heating and air conditioning systems, advanced controls, remote home management and portable security systems.

Ingersoll Rand' Security technologies provide products that ensure productive, secure and safe environments. This division's market leading products comprise floor and door closers, portable security devices, exit devices, biometric and electronic access control systems, cabinet hardware, steel locks, doors and frames, decorative hardware and locksets. Schlage likewise has products which offer time, attendance and personal scheduling systems.
